<u>Sewing machine is required</u> (one capable of machine blind-hem stitch ---^--^) Sewing machine foot—please bring an **open-toe appliqué foot** if you have one!

- **Fabrics**--100% cotton fabrics. Batiks and multicolored hand-dyed fabrics. Bring a variety of favorite fabrics and include all colors in <u>at least</u> three values (light, medium and deep dark (not black) with a noticeable color contrast from a distance of approx.10 ft.) Be aware that all prints "read" as a medium value... and too many prints positioned together are busy, so also bring fabrics that "read" plain but aren't a completely solid color. With this technique, you do not need fabric in large amounts—½ or ¼ yards, large scraps or fat quarters will do for piecing the quilt top. Bring larger amounts of fabric that will be suitable for the backing and also for the whole-cloth facing. The amounts needed depend on the finished size of the project...about a yard or so of each (backing, facing) should be fine.
- <u>Stabilizer</u>—three or four yards of Pellon sew-in regular lightweight or mid-weight stabilizer ... (Vilene stabilizer... outside of the USA) Do not bring interfacing (too flimsy) or choose a product that is fusible or tear-away. If the stabilizer does <u>not</u> shrivel when pressed with an iron on cotton setting, it is OK to bring.

<u>Freezer paper</u> – 3-4 yards <u>Needles</u> -- (for sewing machine) use regular 80/12 or 70/10 for piecing <u>Scissors</u>-- paper and fabric <u>Spray bottle for water</u> <u>Flexible curve --</u> If you have one...do not buy. <u>Straight pins</u> -- Small appliqué pins are good. <u>Threads</u> -- bring a variety...for matching or blending the colors of your fabrics. <u>Bobbin</u> -- wound with neutral thread <u>Stitch Witchery</u> -- only if you already have it (comes on a roll, about 5/8" wide). This product is also known as hemming tape outside of the USA. <u>One yard of batting</u> <u>Eraser, pencils, ruler, notebook</u> Iron and ironing mat
